OUR GRAND

## JULY BENEFICIAL SALE

COMMENCES TOMORROW

And we have every reason to believe that this, the month of July, will be the banner month of the season, which has heretofore been recognized by all merchants as being the commencing of the dull summer months. No time nor labor has been spared in the organization or preparation of this Grand Sale. It must be remembered, however, that this is not a sale of cheap, shoddy goods, odds and ends, nor the recruiting of job lots from a year's selling, but every thing offered you will be of the very best, every department in this great store will be included, nothing reserved. In connection with our already immense stock, and for the special benefit of our patrons, we were fortunate in securing about \$5,000 worth of fresh, clean, dependable merchandise at about 50 cents on the dollar, which we bought expressly for this sale and we propose to give the buying public the full benefit of this purchase, therefore OUR BENEFICIAL SALE. These goods are the eminence of excellence, and your approval will follow inspection.

WHEN IT COMES FROM HAMPE'S IT'S THE BEST.
